

## Bensalem Township School District 403(b) and 457(b) Plans Universal Availability Notice

---

To: All Employees Bensalem Township School District

In compliance with the requirements of IRC §403(b)(12)(A)(ii) this Notice will advise you of the voluntary 403(b) program established and maintained for the benefit of our employees. The following information provides details of the Plan and outlines the procedures for enrollment.

### Eligibility

All employees of the Employer are eligible to participate in the plan.

### SECURE 2.0

Any Catch-up contributions of High Earners (Employees who earned more than \$150,000 (indexed) in FICA wages from their employer in 2025) must be made on a Roth basis, starting in 2026.

### Contributions

When you enroll in the program, the amounts you designate as salary deferrals are withheld from your wages and forwarded to an investment provider of your choice. To see the latest contribution limits, access the Dashboard of the PenServ participant plan portal and choose the Quicklink titled Contribution Limits. You may defer from your wages, the maximum deferral amount to the 403(b) Plan and an **additional** maximum deferral amount to the 457(b) Plan unless you will reach 50 years of age during the year. In that case, you would be eligible to contribute an **additional** catch-up amount **to each** Plan. Deferrals may not exceed 100% of your wages. Several types of contributions are available in your Plan:

**Pre-Tax Salary Deferrals.** These are amounts contributed into a 403(b) plan that are deferred from your paycheck before federal income taxes are applied. State income taxes may or may not be applicable.

**Roth Salary Deferrals.** These amounts are also deferred from your paycheck, but are subject to federal and state income taxes. When you withdraw monies, however, the funds may be excluded from taxation. Special rules apply to Roth contributions and you should contact your tax advisor before electing this option.

**Rollovers.** You may be able to rollover funds you received as an eligible rollover distribution from another employer's plan. Before you can complete a rollover into this Plan, you must first receive an acceptance authorization before the monies can be applied to your account.

**15-Year Catch-Up Contributions.** If you meet certain qualifying conditions, you may also be able to defer an additional amount under this option. Special rules apply and documentation of eligibility must be provided before this election will be permitted.

**Employer Contributions.** The Plan also allows your Employer to make contributions to the Plan on your behalf.

### Limitation on Aggregate Annual Additions Notice

Your Elective Deferrals may not exceed contribution limits as determined by Applicable Law. There may be excess contributions to your 403(b) if you own more than 50% ("control") of another business and maintain a retirement plan for that business. In such event, the maximum contribution to all plans you control and your 403(b) accounts or annuities may not exceed IRC Section 415 limits for the year, plus the age 50 catch-up limit, if applicable. Your Employer is responsible for knowing you may control another business. You must notify your Employer that you have control of another business to ensure you have not exceeded this limit. If there is an excess between multiple plans, the excess must be removed from the 403(b).

### Plan Investment Options

Your contributions to the 403(b) Plan must be made to an approved investment provider.
