

## Critical Illness Insurance

# For the critical moments in your life

Whether you're stepping into your first job or looking toward retirement, you never know when you may experience a health challenge. That's why Symetra Critical Illness Insurance is designed to provide financial support whenever you're faced with an unexpected medical event.

### Why critical illness insurance?

An unexpected diagnosis usually leads to unexpected expenses. And many of these—such as additional needs for transportation, child care, help around the house and more—aren't covered by major medical insurance. Symetra Critical Illness Insurance can help pay for these expenses through a lump-sum benefit paid directly to you, so you can focus on your recovery, rather than your finances.

### How it works

If you're diagnosed with a covered condition after the policy is in effect, you'll receive a lump-sum benefit payment based on the terms of your policy and the diagnosis. This benefit is paid to you regardless of any other insurance coverage you may have.

[Continued >](#)

## What's covered

Your coverage includes benefits for the following conditions. You may have coverage for additional conditions that aren't listed below, as well as the option to add eligible dependents to your plan.<sup>1</sup> Please refer to your enrollment materials for complete details.

### Covered conditions include:<sup>2</sup>

- Invasive cancer
- Minor cancer (in situ\*)
- Heart attack (myocardial infarction)
- Stroke
- Coronary artery disease needing surgery or angioplasty
- Major organ failure
- Occupational HIV
- End-stage renal failure
- Loss of sight
- Loss of speech
- Loss of hearing
- Paralysis due to accident or illness<sup>3</sup>
- Severe burns
- ALS (amyotrophic lateral sclerosis)/Lou Gehrig's disease  
Other motor neuron diseases are also covered, including primary lateral sclerosis, progressive bulbar palsy and spinal muscular atrophy.
- Advanced Alzheimer's disease
- Parkinson's disease
- Advanced multiple sclerosis (MS)
- Coma due to accident or illness<sup>3</sup>

<sup>1</sup> Eligible dependents may include your spouse or domestic partner (as defined by state or federal law) and your biological children, adoptive children or stepchildren. Contact your benefits representative to determine eligibility for dependent coverage.

<sup>2</sup> In NH, occupational HIV is not covered, stroke is referred to as severe stroke and advanced Alzheimer's disease is referred to as Alzheimer's disease.

<sup>3</sup> May vary by state.

\* The term "in situ" refers to abnormal (cancerous) cells that have not spread.

## Simple coverage when you need it the most

You're diagnosed with a covered condition.

Symetra approves your claim.

A lump-sum benefit is paid directly to you.

We understand that you can experience more than one critical event during your lifetime. If you're later diagnosed with a second covered condition, you'll receive the full benefit amount for that condition.<sup>1</sup> Please refer to your enrollment materials for complete details of the coverage.

### DID YOU KNOW?

It's estimated that approximately **40%** of adults in the U.S. will develop cancer in their lifetime.<sup>2</sup>

---

## Claim examples

### Meet Kristen, Robert and Dalia

In addition to their major medical insurance, Kristen and Robert both enroll in Symetra Critical Illness Insurance. They have the option to add a spouse to the plan, so Robert enrolls his wife, Dalia, too.

See how the benefits they receive help each of them after they're diagnosed with covered conditions.

#### Kristen

Kristen goes in for treatment after doctors discover she has breast cancer. They use a combination of surgery and radiation therapy treatment.

Since Symetra considers any stage of breast cancer to be invasive cancer, Kristen receives the higher benefit amount typically associated with an invasive cancer diagnosis. She uses her critical illness benefit to help pay for her deductible and coinsurance, as well as other expenses while she's recovering.

---

#### Cancer benefit paid:

100% of policy benefit amount = **\$10,000**

---

**Kristen uses her benefit dollars on related medical costs, child care and transportation, then puts the rest in savings.**

These examples are for illustrative purposes only and are meant to provide a general overview of how coverage works. Any resemblance to actual persons is purely coincidental. Please refer to your complete set of enrollment materials for your plan's benefit amounts and costs of coverage.

#### Robert and Dalia

Shortly after enrolling in his coverage, Robert suffers a heart attack and has to spend two days in the hospital. Later that year, Dalia is diagnosed with advanced multiple sclerosis (MS) and starts a regimen involving medications and physical therapy.

Robert and Dalia each receive a critical illness benefit to help with a variety of related health care costs and anything else they need. They welcome the financial support to help them recover and manage modifications to their lifestyle.

---

#### Heart attack benefit paid:

100% of policy benefit amount = **\$10,000**

---

#### Advanced MS spousal benefit paid:

50% of policy benefit amount = **\$5,000**

---

**Robert and Dalia use their benefit dollars to pay for related medical costs while growing their savings.**

---

**Each policy includes coverage for different conditions and life events. For costs and complete details of the coverage, contact your benefits representative.**

## Frequently asked questions

### Will I receive reduced benefits from Symetra if another insurance plan covers my medical costs?

No. We'll still pay your full benefit, even if another insurance plan has already picked up some or all of the bill.

### Is it easy to use my supplemental health benefits?

Yes! Watch this [brief video](#) to learn how to make the most of your benefits.

### Why should I enroll during annual enrollment?

If you don't enroll in coverage during annual enrollment, you'll have to wait until the following year's annual enrollment, unless you have a qualifying life event like a marriage, divorce or birth of a child.

### If I enroll now, will I be automatically reenrolled in the plan next year?

It depends on how your employer sets up annual enrollment. You may need to review all of your selections and reelect coverage, or you may be automatically reenrolled in your current selections. Be sure to review your enrollment instructions and connect with your benefits representative if you have questions.

### Once I'm enrolled, how will I file a claim?

You'll have access to a user-friendly online portal where you can submit claims in just a few minutes. And if you have other group coverage with Symetra, we'll automatically check to see if you're eligible for additional benefits.

**Note:** Any critical illness benefits totaling more than the costs incurred for medical care are generally taxable if the employee or employer paid the premium on a pre-tax basis. It's also important to note that critical illness benefits may affect eligibility for public assistance like federal, state or local welfare programs. For specific information, please consult a tax professional and/or your benefits representative.

## Why Symetra?

**Don't miss your opportunity to enroll in this valuable coverage. To get started, review your enrollment materials or talk to your benefits representative.**

Symetra Life Insurance Company  
777 108th Avenue NE, Suite 1200  
Bellevue, WA 98004-5135

[www.symetra.com](http://www.symetra.com)

Symetra® is a registered service mark of  
Symetra Life Insurance Company.

Critical illness policies, insured by Symetra Life Insurance Company (est. 1957), 777 108th Avenue NE, Suite 1200, Bellevue, WA 98004, are not available in all U.S. states or any U.S. territory. They provide benefits at a preselected, fixed dollar amount for covered conditions. They are not a replacement for major medical or other comprehensive coverage, and do not satisfy the minimum essential coverage requirements of the Affordable Care Act. Base certificate form number is SBC-04535 1/21. Coverage may be subject to exclusions, limitations, reductions and termination of benefit provisions.

<sup>1</sup> There must be a one-day separation between additional diagnoses. If two or more covered critical illnesses are diagnosed on the same day, only the benefit that provides the largest benefit amount will be paid.
